Additional Guidelines
Volunteer hours must be completed when supervisors are available. Volunteers will contact their supervisor before the assigned shift if they will be absent or tardy. The number of volunteers accepted is dependent upon the amount of work and supervisory time available.

The Library has the responsibility to provide training, supervision and recognition to the volunteer. Volunteers are not covered by the Library’s insurance, including Workman’s Compensation. Volunteers will be familiar with and agree to abide by the library’s Confidentiality of Library Records Policy, Dress Code, as well as all other library rules and policies.

Selection is based on qualifications of applicants, the needs of the library at any given time, and the volunteer’s ability to commit to a consistent schedule of hours. Volunteers are placed in positions best suited to their skills, interests and availability. We cannot guarantee a position for each potential volunteer.
