

My Lists

- My list allows you to create, edit, share, and remove lists you have created. For example, you may want to create a list of books you want to read.
- To create a list, go to the My Lists tab. Type in a name for your list and a description if you want to. Click **Submit**, and the list should appear under **My Existing Lists**.

The screenshot shows the 'Create New List' form with the following fields and options:

- Enter the name of the new list:
- List description (optional):
- Share this list?: (with a help icon)
- Buttons: and

Below the form is the 'My Existing Lists' section, which includes a 'Saved Lists' sub-section. A list titled 'Book I Want to Read' is shown with the following action buttons: , , , and .

- From the My Lists tab, you can view your lists by clicking on the title of the list.

The screenshot shows the 'My Existing Basket and Lists' section. It includes a 'Create New List' form at the top, followed by a 'Saved Lists' sub-section. A list titled 'Books I Want to Read' is shown with the following options:

- Sort list items by:
- Buttons: , , , and
- Form: Name: ; Description:
- Buttons: and (with the text 'Save changes to name or description?')
- Buttons: and

<input type="checkbox"/>	Title	Author(s)	Local Call Number	Publication Date	Format	Notes Edit
<input type="checkbox"/>	The eighth detective : a novel	Pavesi, Alex.	FICTION PAVESI 2020 (North Kansas City Public Library)	2020.	Book	

Below the table is a 'New Books to Read' section with the following action buttons: , , , and .

- To add an item to a list from the search results, hover over the blue *Add to My List* button below the Place Hold button and click on the list you wish to add the item to.
